Dear Parent Carer,

Parent Consent

At Shepton Mallet Community Infants' School and Nursery, we sometimes take photographs/videos of pupils. We would like to use these in the school's prospectus, on the school's website, local media and on display boards around school

**Why are we asking for your consent again?**

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again. If you are not happy for us to do this, please indicate below and we will accommodate your preferences. Please note we never attach names to photos that are used in the media, on our website or in the prospectus.

Please tick the relevant box(es) below and return this form to school.
