Headteacher: Mrs Honoria Thompson

"Where Children Come First."

Dear Parent / Carer,

Welcome (and welcome back!) to Shepton Mallet Community Infants School & Nursery. I hope that you all had a great holiday and were able to make the most of the time away from school.

I would especially like to welcome our new children and families who are starting their learning journey with us. I hope that your time with us is exciting, fun and successful! We will all work very hard to ensure that the children in our care are given the very best education we can provide. We aim to develop children who are creative, are able to work in harmony with their friends and who have a passion for learning for the rest of their lives. We also want them to understand and respect the rights that all children around the world are entitled to have.

Some changes:

We would like to welcome Mrs Fildes who will be teaching Woodpecker class (Year 2) this year. I am confident she will do a fantastic job.

I am sure you have already noticed that our school office has moved into the Nursery building and is now situated where the Children's Centre office used to be. The Children's Centre has moved to the council offices at Shape Mendip.

We have had the Elliot building converted into a classroom enabling us to have six, smaller classes this year. Mr Atkinson's class will be in the new classroom.

We are all looking forward to the year ahead. Remember, if we can help in any way please don't hesitate to contact us in the usual ways. As a school, we are always looking at ways that we can improve the quality of education and support that we provide to both your children and you. Here's to a successful year!

Yours sincerely,

Honoria Thompson
Headteacher
