### Message from Mrs Thompson

This year seems to have flown by, I can hardly believe that we are breaking up for the summer already, and I have so many thank yous and goodbyes to say.

First of all I would like to thank all our children for their hard work and good behaviour. I am so proud of every single one of them.

Next I would like to thank our dedicated team of staff who, as always, give 100% to ensure your children get the education they deserve. As a result the children's achievement and progress is improving year on year.

I would like to thank you, the parents, for your support of the school, and your encouragement of what we are trying to achieve. Thank you also for getting your children to school every day and on time.

Our Parents and Friends team also deserve our thanks, as they work tirelessly to provide exciting activities for the children and raise a lot of money for the school.

Our Governors are very involved in the school and come in regularly to support us – thank you also to them.

We have had a very busy end to the year with our Inspire Days, Bug-fest visit and a school trip to SeaQuarium. Again, without your support these could not happen, particularly when we ask you to make costumes or support your child with their Home Challenge!!

Finally I hope you all have a wonderful summer and I hope to see many of you on Tuesday 4th September.

Honorina Thompson  
Headteacher

Good bye and good luck to all our year 2 children.

You have been a fantastic year group and we are going to miss you very much.

We are sure you will all do really well in your new school.

### Out grown School Uniform

The PFA would be grateful of any outgrown clean uniform to sell at various events throughout the year to help raise money, for the school. Please bring to the school office.

Thank you  
PFA

Good Luck to all our pre-schoolers in their new schools.

We look forward to seeing our new pre-schoolers on the 10th September 2018.

All lost property will be in the School Office. All items not claimed will go to a charity shop at the end of term.

Thanks

We have to say goodbye this summer to two very special people.

First of all, Mrs Culpin is retiring after spending 23 years in our school, supporting the infants of Shepton Mallet! Her tireless work and dedication to the children has made a difference to every child she has worked with and we will all miss her greatly. I am sure some of you will remember her from your time at this school. We all wish her well in her retirement.

Secondly, although she has only been with us for 12 months, Mrs Fildes has made a big difference to our Year 2 children this year. Her hard work, enthusiasm and love of the children has helped them achieve really well both in and out of the classroom. We wish her well in her new job and future career.
