

TAI CHI PHOTO/VIDEO PERMISSION SLIP

Dear Parents/Carers,

Firstly, I would like to introduce myself. My name is Mrs Robertson and I teach Mindfulness with Tai Chi at your child's school on a Friday afternoon. It has been an honour to come and work at such a lovely, friendly and nurturing school.

I am currently setting up a new website (www.generationbe.net) and I would like your consent to use photographs and short clips of the children taking part in the Tai Chi sessions. Names will NOT be used on the website; safeguarding is a priority at all times.

I would be very grateful if you could fill in the form below and return it to school office.

If you have had any feedback regarding the Tai Chi sessions that your child has been taking part in, please complete the comment section below.

Thank you for your support,

Mrs Robertson
