"Where Children Come First."

23/01/2019

Dear Parent / Carer,

White Entrance Gate

I would like to make you aware of some changes to school access during the very cold weather.

For Health and Safety reasons if there is a heavy frost, ice or snow on the ground we will not be opening the gate to the footpath behind the school. We would ask that those parents who usually come into school that way use the front entrance on Waterloo Road.

Under these circumstances we will also close part of the playground and therefore children in Koala Class will need to come into the building with the children from other classes through the front entrance.

On mornings with no ice or snow access arrangements will be as normal.

Yours sincerely,

Honoria Thompson
