Dear Parent/Carer,

**Nursery, Reception and KS1 Online Safety Workshop**

We would like to invite you to attend an evening workshop to an Online Safety workshop run by the South West Grid for Learning (SWGfL). This will take place in the school hall **on Wednesday 5<sup>th</sup> June from 5:30 pm until 7:00pm.**

This online training session provided by SWGfL will provide you with an insight into popular technologies and how young people utilise them. Demonstrating the massive benefits and potential pitfalls, the interactive presentation will provide you with advice, strategies and resources to help you understand and engage with your child's online lives in a healthy, positive, and productive way.

SWGfL are a charitable trust dedicated to empowering the safe and secure use of technology through innovative services, tools, content and policy, nationally and globally. They are proud to be a world leader in online child safety, a founding member of the UK Council for Child Internet Safety as well as an advisor to Governments and a partner in the UK Safer Internet Centre.

We live in an ever changing digital world and children are growing up surrounded by technology and its amazing benefits but also dangers. You can really make a difference to your child's safety when online and help them to make good choices/decisions by attending this workshop and broadening your knowledge of potential pitfalls and dangers you may not have even realised existed. There will be time at the end of the workshop for any questions you may have.

Please confirm your attendance by completing the form at the bottom of the page and returning it to the School office by Friday 24<sup>th</sup> May.

**Please note this workshop is not suitable for children to attend.**

Thank you for your continued support, we look forward to seeing you.

Yours sincerely

*Honoria Thompson*
